

April 26, 2010

Dear Parents of Juniors:

In anticipation of next year's Senior Privileges, and in reward to the junior class, we would like to offer the 11th grade class the privilege of signing out for lunch the week of May 17 – May 21, 2010. The students of the Junior class have waited (some patiently, some impatiently!) for the highly coveted "Senior" privilege of leaving campus for lunch. We would like to give them a taste of this freedom and also of the concomitant responsibility that goes with it.

If you wish to give permission for your son or daughter to sign out during lunch for the week of May 17 – May 21, please sign the form below and include the student's cell phone number. In addition, please note any students that may drive your son/daughter.

Sincerely,

Robert Sullivan
Upper Division Director
